

NATURE TRAILS PARK
SW 191st Street and Marine View Drive SW

Type, Location and Description

This is a low intensity use nature park east of 8th Avenue Southwest and Marine View Drive between Southwest 191st and Channon Drive. Nature Trails Park is an environmentally sensitive area.

The Park has 19 acres of wooded terrain with a creek and small holding pond. Approximately 40 percent of the area is considered wetlands. A loop trail provides access from a small parking lot.

Facility and Equipment

Benches and an improved walking trail.

Principle Recreational Use

Trail walking, jogging, nature study, bicycling.
