

The City of Normandy Park hosted a Groundbreaking event to kick off the construction of the 1st Avenue South project. The event was held on the evening of July 15, 2009 at Normandy Park Town Center. Over 100 residents and local businesses were represented. City staff displayed drawings and schematics of the construction corridor and were available to answer questions about the scheduled activity.

City Of Normandy Park Mayor Shawn McEvoy, Council Members, and City Manager Doug Schulze were assisted by State Representative Dave Upthegrove and the President of Pivetta Construction Mark Pivetta to help “move the first shovel full” for the project.
